

Year 1

Home Learning

Autumn 1

Create your own woodland animal puppets using toilet roll tubes.

We are really excited to see the home learning activities your child completes at home. Please send them in so we can share as a class.

Use your imagination to write a story about a new adventure Percy the Park Keeper could go on.

Create your own scavenger hunt and visit your local park or woods. Here are some examples of things you could find...

An oak leaf, an acorn, a dandelion, a pinecone, animal tracks, a "helicopter" maple seed, rubbish that should have been placed in the bin.
